It does not seem meet to give this permission all over the State. Last time it was given only in Kolar Gold and the CLM Mines

8) This time we may perhaps allow this to be done in the City areas and in the Head Qrs Towns

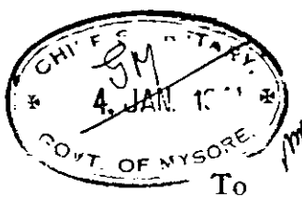
No. Census. 20/40-41. MUNICIPAL OFFICES,

Encl. Bangalore 3rd January 1941.

From



S. NARAYANA RAO, ESQ., M.A. (HONS.),
MUNICIPAL COMMISSIONER,
BANGALORE CITY.

To

B.T. Kesaviengar, Esqr., B.A.,
Chief SECRETARY TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
~~LAW DEPARTMENT~~, BANGALORE.

SIR,

I have the honour to bring to your kind notice that regular preliminary Census work in the City has to commence this month and continue at a stretch till 15th February 1941. From 20th February onwards, checking of the preliminary records by the Supervisors and higher officers will be taken up. Much difficulty is still experienced to secure the required number of enumerators and it is found that some hands have been transferred. In addition to General Census, the Cattle Census and Industrial Census have also to be taken.

In a City like Bangalore, many practical difficulties are experienced when the Census officers go round their Blocks to fill up enumeration pads, etc. Labourers will not be available during mornings and they cannot always be approached during evenings and as such the enumerators should go to them between 11-30 A.M. and 12-30 P.M and get as much information as possible. Even ordinary families take more than quarter of an hour to furnish the details relating to a single family. I request that, in these circumstances, Heads of Departments may be kindly addressed to permit late attend

P.T.O

late attendance of officers and officials deputed on Census Duty up to 1 P.M.

I have the honour to be,
Sir,
Your most obedient servant,

S. Nadesan

Municipal Commissioner.
